

**Welcome to The Script Factory: SCENE**, a packed three days and nights of events dedicated exclusively to screenwriting, produced by The Script Factory, the UK's premier script development organisation, in association with United International Pictures. SCENE event programmes have featured in festivals from Edinburgh to Rio during the past 12 months. Now we are proud to be part of the 45th Regus London Film Festival (RLFF) for the second year running. SCENE is an inspiring opportunity for audiences to eavesdrop on the journeys from idea-to-script-to-screen of a range of new features, to meet some of the creative talent in town for the Festival, and to pick up some essential tips to make the writer's trade an easier one.

**Make the most of your SCENE Festival:** dip in and out of the programme on offer; be sure to keep up with SCENE late additions; and join us every day for our networking SCENE Happy Hour between 6-7pm.

Remember that this is just a taster of the SCENE programme on offer - to hear about late additions, stop press programme announcements, and confirmed speakers, please go to the SCENE page at [www.scriptfactory.com](http://www.scriptfactory.com)

*For further details of the full programme of exciting RLFF special events (including a short film master-class with Mike Leigh, a casting session with Susie Figgis, and a focus on the recent explosion of Argentine cinema, among many others) e mail [rlff.events@bfi.org.uk](mailto:rlff.events@bfi.org.uk) or visit [www.rlff.com](http://www.rlff.com)*
